

British Board of Coaching (BBC)

Educational & Professional Development

Complete CPD Programme Syllabus

Overview of CPD Programmes

The British Board of Coaching offers a comprehensive suite of Continuing Professional Development (CPD) programmes designed for certified coaches who want to deepen their expertise, maintain professional standards, and expand into specialised practice areas.

Post-Graduate Specialisation Diplomas

Our advanced diploma programmes are designed for certified practitioners who want to master niche focus areas and handle complex client cases. Each diploma includes 200+ hours of study, supervised practice, and a final assessment.

- Relationship Coaching & Emotional Recovery
- Adolescent Guidance & Family Dynamics
- Executive Leadership & Organisational Culture

Diploma 1: Relationship Coaching & Emotional Recovery

This diploma equips coaches with advanced cognitive and behavioural strategies for guiding individuals and couples through relationship dynamics, emotional recovery, boundary setting, and healthy conflict resolution.

- Module 1: Foundations of Relationship Dynamics
- Module 2: Attachment Styles & Emotional Patterns
- Module 3: Conflict Resolution Frameworks
- Module 4: Boundary Setting & Communication
- Module 5: Emotional Recovery Techniques
- Module 6: Supervised Practice & Case Studies

Diploma 2: Adolescent Guidance & Family Dynamics

This diploma provides specialised tools for bridging communication gaps within families, supporting youth through psychological transitions, and empowering parents with effective guidance frameworks.

- Module 1: Adolescent Psychology & Development

- Module 2: Family Systems Theory
- Module 3: Communication Bridge Techniques
- Module 4: Supporting Youth Through Transitions
- Module 5: Parental Guidance Frameworks
- Module 6: Supervised Practice & Assessment

Diploma 3: Executive Leadership & Organisational Culture

This diploma elevates executive presence, strategic decision-making, and the ability to coach high-performing leaders, corporate teams, and organisational cultures.

- Module 1: Executive Presence & Leadership Identity
- Module 2: Strategic Decision-Making Frameworks
- Module 3: Team Dynamics & Performance Coaching
- Module 4: Organisational Culture Transformation
- Module 5: Systems Thinking & Change Management
- Module 6: Capstone Project & Assessment

Professional Supervision & Reflective Practice

Our structured supervision sessions offer a safe, confidential space where coaches can bring active client cases, evaluate ethical dilemmas, prevent burnout, and receive feedback from Master Certified Coaches (MCQ).

- Active client case reviews
- Ethical dilemma navigation
- Burnout prevention strategies
- Direct MCQ-level feedback
- Reflective practice frameworks

Enrolment & Next Steps

To enrol in any CPD programme or diploma, contact us at britishboardofcoaching@gmail.com. Programmes run on a cohort basis with limited seats per intake. Early application is recommended.
